

Avery® Frequently Asked Questions

Divider & Presentation Information

Q1. What does Easy Apply mean?

Easy Apply refers to the innovative and time saving tab labelling system for the IndexMaker Divider range, which allows all tabs to be labelled at once. This unique feature saves you time and is perfect when preparing lots of documents for presentations, conferences and meetings.

Q2. What's the difference between ReadyIndex and IndexMaker Dividers?

ReadyIndex Dividers are ideal for documents that are regularly used and referenced often. The product features a printable table of contents page which can be created using easy to use software and templates. The dividers also come with pre-printed numbered tabs for fast reference.

IndexMaker Dividers are ideal for presentations and proposals that require a professional finish. The product allows you to print your table of contents page and your label tabs. IndexMaker Dividers with Easy Apply Labels allows you to label all your divider tabs at once, saving you time.

Q3. How do I create title pages for Flexi-View products?

Blank and pre-designed templates are available on this website. Simply download the template, create your design, print and then save it to your computer so that you can use it again and again!
